**Bay Area Showcase Chorus** is retiring their stunning purple dresses. The chorus wore this outfit several times on the International stage and won high praise from Showmanship judges because the dresses “Sparkle under the lights” and “Create a dazzling picture as the lights come up.”

The dress is knee length with a sweetheart neckline, princess seams and  $\frac{3}{4}$  sleeves; the full skirt is finished with horsehair so hem retains its fluttering shape. Each dress is topped with a beautiful beaded collar that can be detached and used separately, if desired. (Dress can be machine washed and dried once collar is detached.) Dangling purple beaded earrings are also included.

We have 130 dresses available in sizes XS to 4X. We are asking \$50 for each dress, shipping to be paid by purchaser.
